

The phrase "--consisting essentially of--" before the number " 5 " is to be deleted and replaced with "of".

In claim 27, line 6 on page 3 (preliminary amendment on June 29, 2004):

The phrase "--consisting essentially of--" before the number " 5 " is to be deleted and replaced with "of".

In claim 28, line 2 on page 3 (preliminary amendment on June 29, 2004):

The phrase "--consisting essentially of--" before the number " 5 " is to be deleted and replaced with "of".

Examiner Oh stated that entry of the foregoing amendments would place the application in condition for allowance.

The Applicants clarify for the record that they agreed not with the Examiner's position regarding the alleged ambiguity in claims 27 and 28, but rather with the Examiner's suggestion to amend the claims. The Applicants believe that the language as originally presented is unambiguous and is fully supported by the application as filed. The Applicants agreed to amend the claims solely to advance prosecution of this application.
